

#CAPS-LOOP

INSTRUÇÕES INSTRUCTIONS

Como fazer um CAPS-LOOP, segue a lista de ferramentas, materiais e instruções necessários para a sua execução.

- x-acto
- régua e esquadro
- transferidor
- caixa de máquina de café Delta-cool

Este objecto foi desenvolvido exclusivamente para a caixa da Delta-cool, no entanto o seu conceito pode ser aplicado a qualquer outra caixa de outra marca.

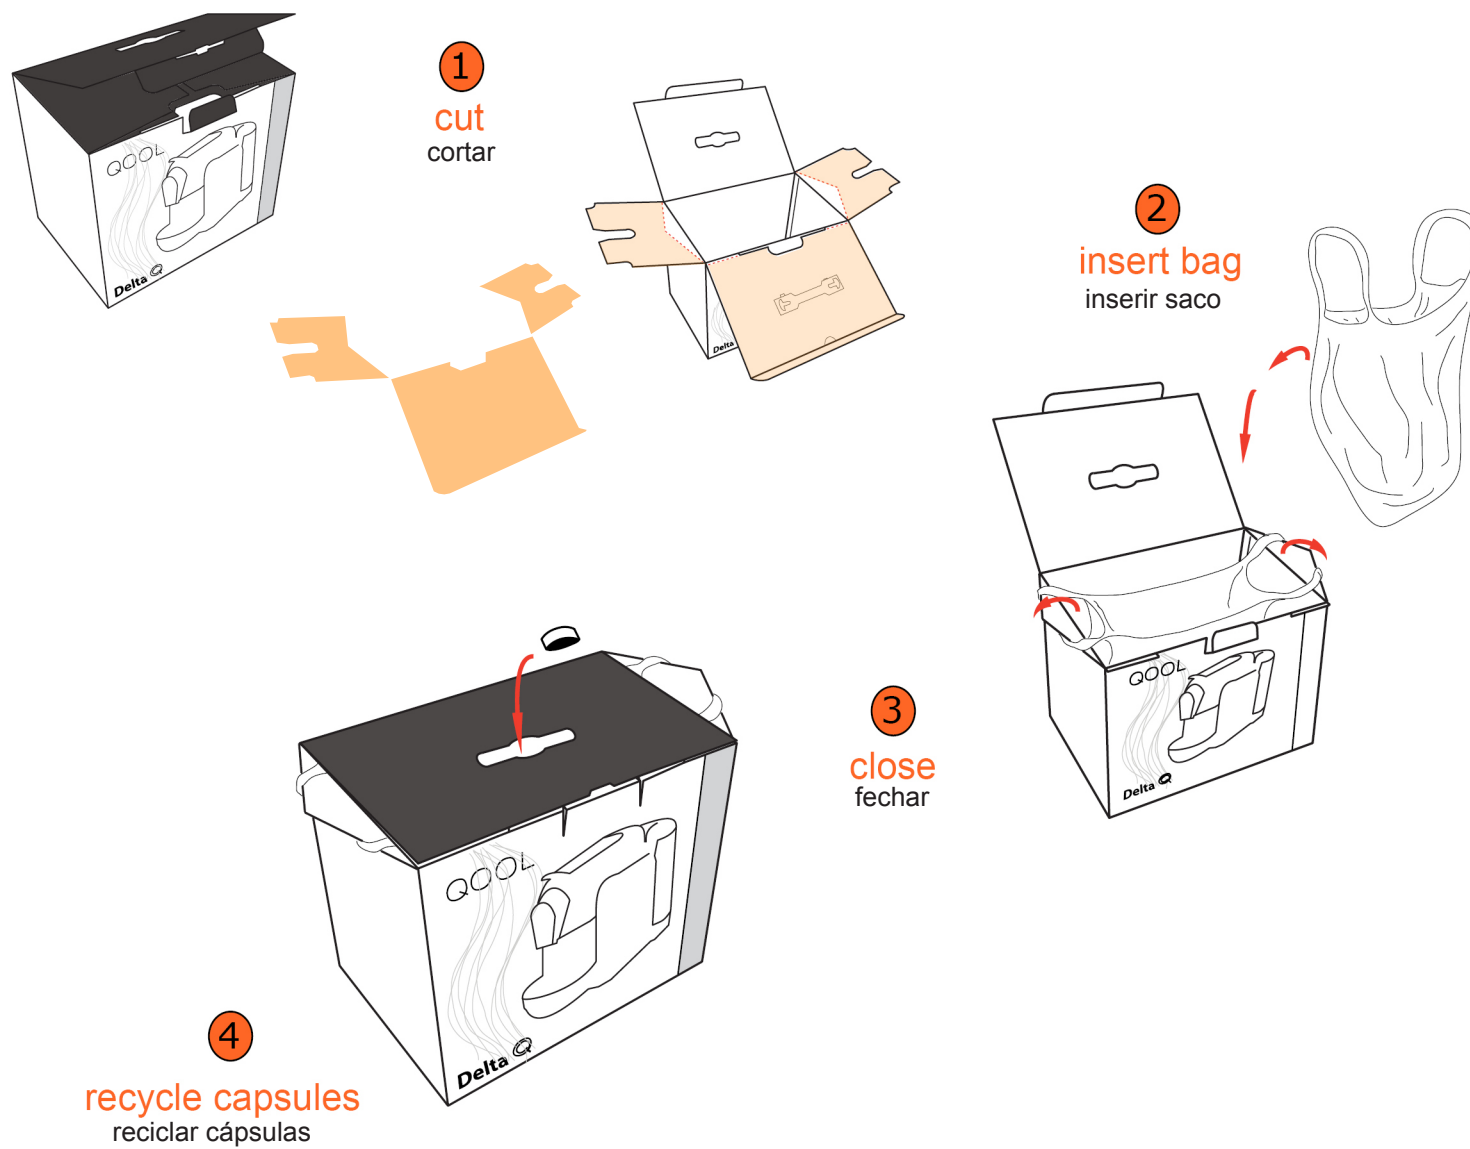

Aconselha-se o super visionamento de um adulto durante o corte da caixa.

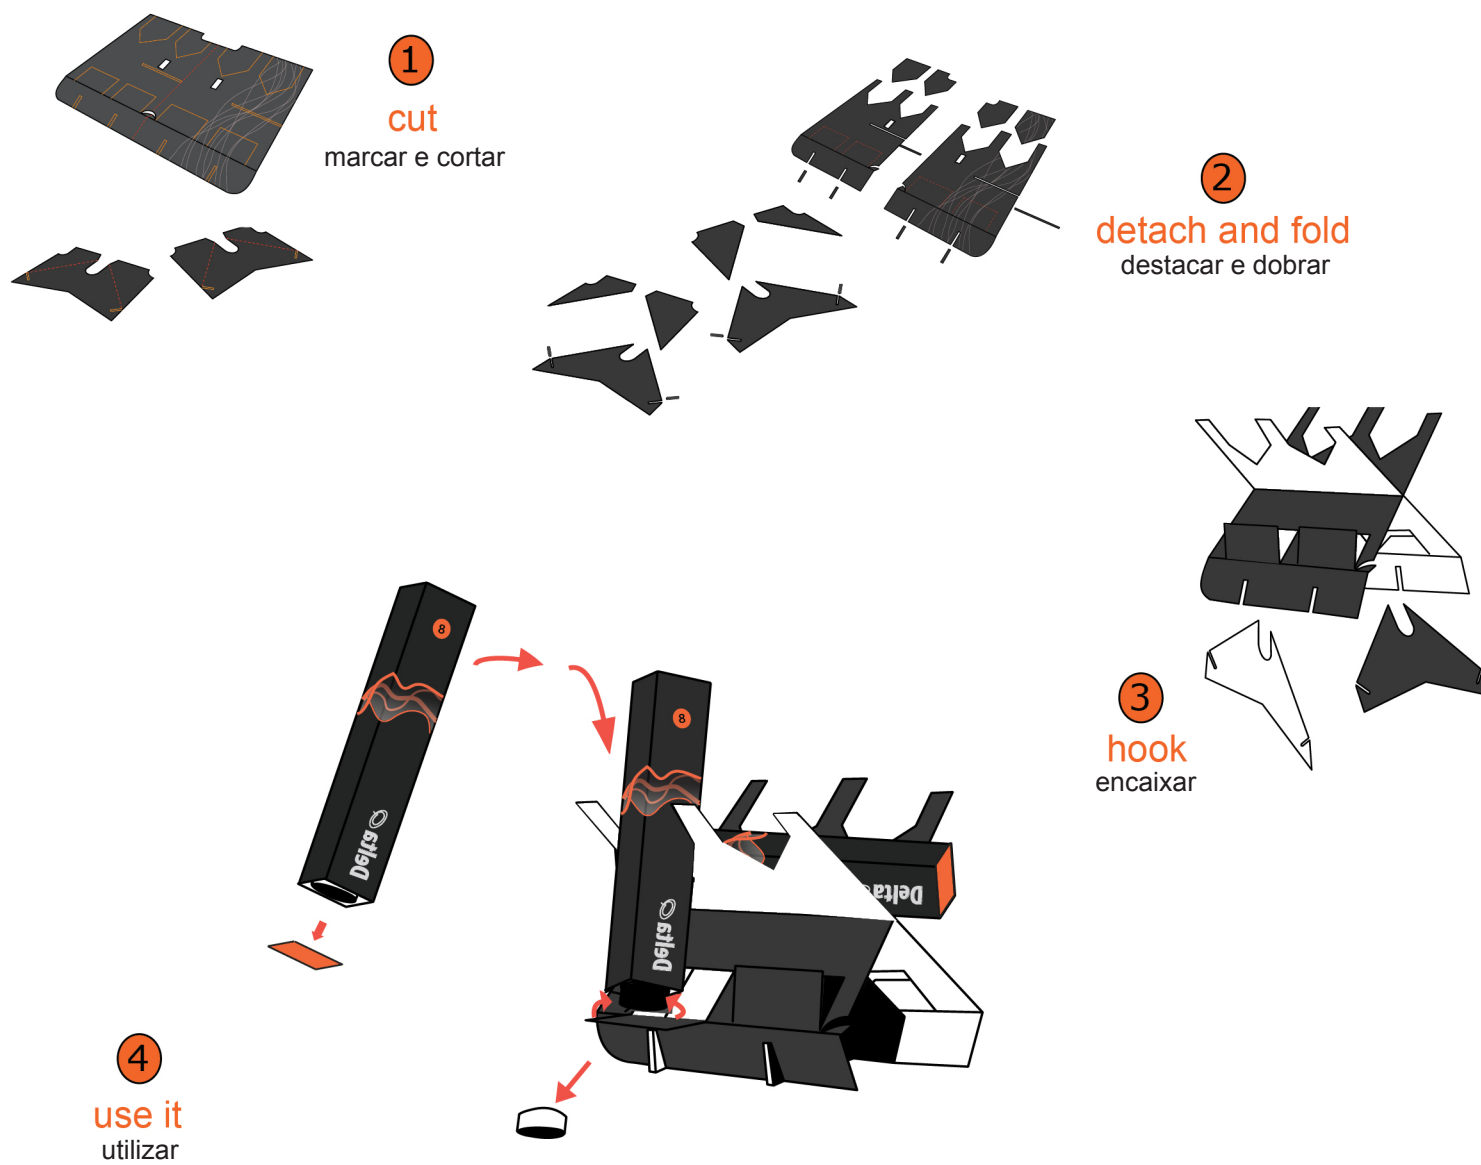

How to do a CAPS-LOOP, here it goes the list of tools, materials and instructions necessary to it.

- x-act
- ruler and set-square
- protractor
- delta-cool coffee machine box

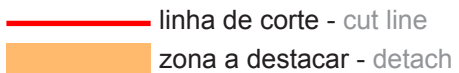

This object was specifically design to be made from the Delta-cool box, but its concept can be adapted to any other brand box.

We advise adult supervision during the box cutting.
